

The CERTIFICATE in AYRES SENSORY INTEGRATION® (CASI) Course 2018 Hong Kong

Organized by

CREST Child Rehabilitation and Education Service Team

In Collaboration with

CLASI

Collaborative for Leadership in Ayres Sensory Integration

The Certificate in Ayres Sensory Integration® (CASI) is issued by CLASI, an Approved Provider of continuing education by the American Occupational Therapy Association (AOTA). The ASI Certificate ensures that its learners have completed a minimum of a total of 120 contact hours and participated in designated activities aiming at acquisition of knowledge and skills in sensory integration, in accordance with the international requirements (i.e. ICEASI standard), as follows:

- The theoretical foundations of sensory integration based on the original work of Dr. A. Jean Ayres;
- Updated basic and applied science related to sensory integration theory;
- The contributions of sensory integration to typical development;
- Administration of relevant evaluations of core sensory integrative functions (e.g. the Sensory Integration and Praxis Tests (SIPT), the Evaluation in Ayres Sensory Integration® (EASI); the Sensory Processing Measure (SPM), Ayres' clinical observations, etc.);
- Clinical reasoning guiding the use of sensory integration in clinical practice;
- Interpretation of results of the evaluation data based on research on the patterns of sensory integration function and dysfunction;
- Goal preparation and intervention planning;
- The implementation of professional therapeutic intervention, with a focus on sensory integration strategies in different contexts;
- Leadership and mentorship of theory, practice and research in ASI;
- Reviews of existing research, and ways in which to plan and implement research related to ASI;
- Avenues for advocacy in promoting evidence-based practice in ASI for consumers;

The CERTIFICATE in AYRES SENSORY INTEGRATION® (CASI) Course

2018 Hong Kong

CASI Modules:

Module 1:	Online OR Onsite	- Ayres Sensory Integration® (ASI) Theory
Module 2:	Online	- Comprehensive Assessment in ASI
Module 3:	Onsite	- Assessment in ASI Hands-On Practice
Module 4:	Online	- Clinical Reasoning in ASI
Module 5:	Online	- Introduction to ASI Intervention and the ASI Fidelity Measure
Module 6:	Onsite	- ASI Intervention

****ALL 6 modules including quiz and assignments are required for the CLASI CASI – Certificate in ASI**

Module 1

Ayres Sensory Integration® (ASI) Theory

Course Description:

The latest advancements in neuroscience support the application of the theory of sensory integration as an approach to deal with children, adolescents, adults and older adults. This module will provide therapists a theoretical basis for the application of the theory of sensory integration in clinical practice.

The trainings for the first module will provide a study to the theory of sensory integration, to the central nervous system, the neuroscience of sensory systems, modulation, the praxis and the principles of the evaluation and intervention in sensory integration.

Learning Objectives:

Following this course, participants will be able to...

- Identify the interpretive models of the theory of sensory integration;
- Describe the neurological structures and their functions involved in the process of sensory integration;
- Describe functional implications and occupational factors on the basis of the changes of sensory impairments;
- Discuss the praxis and its role in performance and behavior;
- Evaluate the quality of research related to sensory integration.

Format:

Module 1: *Online (24 – 30 Hours)*

Period: Feb, 2018 – 7th May, 2018 (i.e. prior to Module 3)

OR

Module 1: *Onsite*

Date / Time: 22nd – 25th October, 2018 (Mon - Thu) / 0930 – 1730

Venue: To be confirmed 2 months prior to the course

Speakers: Dr. Susanne Smith Roley (OTD, OTR/L, FAOTA) &
Mr. Stephen Tsz Man Chan (MSc, HKROT)

Targeted Participants:

- All interested individuals

Course Completion Requirement(s):

- Completing the online course with the required course work.

The CERTIFICATE in AYRES SENSORY INTEGRATION® (CASI) Course

2018 Hong Kong

Module 2

Comprehensive Assessment of Ayres Sensory Integration®

Module 3

Assessment in ASI Hands-On Practice

Course Description:

Modules 2 and 3 are designed to teach evaluations of Ayres Sensory Integration function and dysfunction that include: The Sensory Integration and Praxis Tests (SIPT), Sensory Processing Measure (SPM), Evaluation in Ayres Sensory Integration (EASI), structured and unstructured clinical observations.

Learning Objectives:

It is intended that at the end of the trainings for Modules 2 and 3, participants will be able to:

- Determine an assessment plan for a client;
- Determine the evaluations appropriate to assess ASI constructs in all areas;
- Analyze the psychometric strength of the evaluations;
- Reliably administer the SIPT;
- Understand the constructs tested by the SIPT, SPM and related measures;
- Design clinical observations of sensory integration constructs when standardized measures are not possible;
- Demonstrate competence in the application of clinical observations based on ASI;
- Administer the Sensory Processing Measure (SPM);
- Identify whether an evaluation report meets the standard for structural elements on ASI Intervention Fidelity Measure.

Format:

Module 2: *Online (24 – 30 hours)*

Period: Feb, 2018 – 7th May, 2018 (i.e. prior to Module 3)

Module 3: *Onsite*

Date / Time: 8th – 11th May, 2018 (Tue - Fri) / 0930 – 1730

Venue: To be confirmed 2 months prior to the course

Speakers: Ms. Shay McAtee (MA, OTR/L, FAOTA) &
Ms. Riggi Pui Yee Chan (BSc, HKROT)

Course Fee includes the following items for Module 3:

- 5 Test booklets / scorings
- 5 Design Copying Sheets
- 5 Motor Accuracy Test Sheets
- 5 Kinesthesia Test Sheets
- 5 SPM Home AutoScore™ Print Forms
- Map measurer for MAC scoring
- File folder to use as shield

Targeted Participants:

- Occupational therapists, physical therapists, speech and language pathologists and medical professionals (e.g. psychologists, neuropsychologists and physicians) who has completed Module 1.

Required Course Materials for Module 3:

- SIPT Manual and SIPT 10-Use CD Scoring (can be purchased at CREST Store: <https://crest-store.ecwid.com>)
- SIPT Kit (SIPT kit will be provided by organizer for practice during the course, 1 kit will be shared by 10 participants; so participants are recommended to bring their own SIPT kit for facilitation of learning)

Course Completion Requirement(s):

- Completing the online Module 2 with the required course work, and
- 100% attendance of the onsite Module 3.

The CERTIFICATE in AYRES SENSORY INTEGRATION® (CASI) Course

2018 Hong Kong

Module 4

Knowledge and Skills in Ayres Sensory Integration® Clinical Reasoning

Course Description:

Module 4 focuses on clinical reasoning based on research and evaluation data to understand the findings and make recommendations for goals and services. Trainings leading to knowledge and skills in clinical reasoning allows the learner to understand relationships in the assessment data and relationship to participation, informing recommendations for services.

Learning Objectives:

It is intended that at the end of Module 4, participants will be able to:

- Describe the patterns of sensory integration function and dysfunction;
- Analyze, interpret assessment results according to the patterns of SI function and dysfunction;
- Relate the data obtained through the application of the instruments with the difficulties of occupational performance of the individual;
- Identify client-centered goals and objectives from presenting concerns linked to the interpretation;
- Create the intervention plan based on the evaluation performed;
- Determine how the intervention will be conducted and effect various contexts, in children identified with sensory dysfunction.

Format:

Module 4: *Online (24 – 30 Hours)*

Period: Jun, 2018 – 25th Oct, 2018 (i.e. prior to Module 6)

Targeted Participants:

- Occupational therapists, physical therapists, speech and language pathologists and medical professionals (e.g. psychologists, neuropsychologists and physicians) who **has completed Module 1, 2 and 3.**

Course Completion Requirement(s):

- Completing the online Module 4 with the required course work.

The CERTIFICATE in AYRES SENSORY INTEGRATION® (CASI) Course

2018 Hong Kong

Module 5

Introduction to ASI® Intervention and the ASI Fidelity Measure

Module 6

ASI Intervention (with Live Demonstration)

Course Description:

Module 5 introduces the research and manualized methods of ASI intervention including the Fidelity to ASI Intervention measure that assists researchers and clinicians to distinguish between interventions that are faithful to the principles of ASI and those that do not meet the criteria.

In Module 6, learners are taught intervention strategies specific to Ayres Sensory Integration®. The trainings leading to competency in the 4th area teaches implementation of an intervention plan based on the interpretation of the results of tests as demonstrated and discussed. The clinical reasoning and resolution of problems of a specific case study are used by all participants.

Learning Objectives:

Following these courses, participants will be able to...

- Apply clinical reasoning in the design and implementation of intervention for individuals with sensory integration difficulties or dysfunction;
- Use dynamic assessment while working with clients to refine the intervention during treatment;
- Name the process elements of the ASI Intervention Fidelity Measure;
- Determine the way in which the process elements interact during a direct intervention session;
- Explain the relationship between the activities and the facilitation of adaptive responses;
- Explain the importance of an appropriate response to the involvement of the occupational Child;
- Discuss the benefits and limitations of ASI intervention with a wide variety of diagnostic groups, ages, and types of difficulties;
- Demonstrate the way in which sensory strategies are implemented in various contexts, including the home, school and the community.

Format:

Module 5: *Online (24 – 30 hours)*

Period: Jun, 2018 – 25th Oct, 2018 (i.e. prior to Module 6)

Module 6: *Onsite*

Date / Time: 26th – 29th October, 2018 (Fri - Mon) / 0930 – 1730

Venue: To be confirmed 2 months prior to the course

Speakers: Dr. Susanne Smith Roley (OTD, OTR/L, FAOTA) & Mr. Stephen Tsz Man Chan (MSc, HKROT)

Targeted Participants:

Module 5: Occupational therapists, physical therapists, speech and language pathologists and medical professionals (e.g. psychologists, neuropsychologists and physicians) who **has completed Module 1, 2, 3 and 4.**

Module 6: Occupational therapists, physical therapists, speech and language pathologists who **has completed Module 1, 2, 3, 4 and 5.**

Course Completion Requirement(s):

- Completing the online Module 5 with the required course work, and
- 100% attendance of the onsite Module 6 with completion of course work.

The CERTIFICATE in AYRES SENSORY INTEGRATION® (CASI) Course

2018 Hong Kong

Course Sequence:

The Modules build upon each other. Module 1 is designed to help participants become conversant in theory related to sensory integration and serves as an introduction to the forms of assessment taught in Module 2 and 3. Module 2 and 3 are a prerequisite to Module 4, which focuses on the interpretation of test results, e.g. SIPT, EASI results. Module 5 and 6 build on the elements introduced in all of the previous Modules.

We recommend that participants attend the Modules in sequence and believe those who take the Modules out of order will be at a disadvantage. However, if participants need to take the Modules out of sequence, special approval from program coordinator is required (except for Onsite Module 1). Please be aware that ALL 6 Modules must be completed within a 5-year time span in order to qualify for certification.

Certification:

Participants who fulfill the requirement of completing all 6 modules including the assignments are eligible for applying the Certificate in Ayres Sensory Integration® issued by Collaborative Leadership in Ayres Sensory Integration (CLASI). This program is adhering to the standard of International Council for Education in Ayres Sensory Integration (ICEASI).

Course Fee:

Payment:

For Local Applications:

- By Cheque:
Payable to “CREST Child Rehabilitation and Education Service Team”
* Please send to the address below together with the registration form:
“To: CREST Child Rehabilitation and Education Service Team
Room 706, Peninsula Tower, No. 538 Castle Peak Road,
Lai Chi Kok, Kowloon, Hong Kong (SAR)”
- By Automatic Teller Machine (ATM):
Bank / Account No.: HSBC / 634-388821-838
Bank Account Name: TSRCL T/A CCR&EST
* Please **write down YOUR FULL NAME and COURSE NAME** (i.e. CASI 2018) on the bank advice slip and email together with registration form to info@crest.hk.

For International Applications:

- By Telegraphic Transfer (TT)
* Please see the attached “Telegraphic Transfer (TT) Instructions for CREST” for details, and email the TT bank advice slip together with registration form to info@crest.hk.

Terms & Conditions:

(i) Notification:

Notification will be sent individually through email once your application and payment are received.

(ii) Confirmation:

The confirmation will be sent individually through email by:

	1		2	3	4	5	6
	Online	Onsite
