## **EASI**-Focused CASI Module 2 and 3 for

### **SI trained Therapists**

**2021 Hong Kong**

**Organized by**

**CREST Child Rehabilitation and Education Service Team**

**In Collaboration with**

**CLASI**

**Collaborative for Leadership in Ayres Sensory Integration**

### **Description**

This course covers **the module 2 and module 3** of the Certificate in Ayres Sensory Integration. We are now opening these two modules with a **discounted price** for therapists who has certificate in Ayres Sensory Integration (or equivalent qualification). With this special arrangement, it is hoped that **therapists trained in SI** will be able to keep up with **the updated assessment** and to use the Evaluation in Ayres Sensory Integration (**EASI**).

Participants who joined this refresher course must **submit a copy of their full SI certificate** together with the registration.

## Online Module Comprehensive Assessment of Ayres Sensory Integration®

## Hands-on Module Assessment in ASI Hands-On Practice

### Course Description:

Modules 2 and 3 are designed to teach evaluations of Ayres Sensory Integration function and dysfunction that include: Evaluation in Ayres Sensory Integration (EASI), The Sensory Integration and Praxis Tests (SIPT), Sensory Processing Measure (SPM), structured and unstructured clinical observations.

### Learning Objectives:

It is intended that at the end of the trainings for Modules 2 and 3, participants will be able to:

- Determine an assessment plan for a client;
- Determine the evaluations appropriate to assess ASI constructs in all areas;
- Analyze the psychometric strength of the evaluations;
- Reliably administer the EASI;
- Understand the constructs tested by the EASI, SIPT, SPM and related measures;
- Design clinical observations of sensory integration constructs when standardized measures are not possible;
- Demonstrate competence in the application of clinical observations based on ASI;

### Format:

**Module 2:** *Online (24 – 30 hours)*  
Starts in *Aug, 2021 (1 accessible year)*  
*\*To be completed by 26<sup>th</sup> Oct 2021*

### **Special Notice:**

The COVID-19 situation may still be fluid and constantly affect course arrangements in the coming months. The health and safety of our participants will always be our top priority. We will substitute live onsite teaching from the instructor by live synchronous teaching online if our instructor cannot travel to Hong Kong. For participants that need to stay at home (e.g. Quarantine), please also prepare the materials needed for EASI other than those included in the starter kit. Our team will contact the participants concerned with details of such arrangements as necessary.
